

苏通科技产业园一起腾飞 与您的理想

Let Your Dream Fly with STP

苏通科技园 (STP) 是南通-苏州-新加坡三方面合作的成果。2009 年五月正式启动。

苏通科技园位于苏通长江大桥北翼。南临浩瀚长江。是以上海为中心的长三角经济区重要的江北桥头堡。与上海, 苏州园区形成“黄金三角”。

基于中新双方专家建设国际化城市的经验, 苏通科技园将建成为一个新兴的高科技, 人文生态型的宜居地, 规划人口三十万。

园区重点鼓励节能环保, 新能源, 生物科技, 机电设备制造, 电子信息, 新材料和现代服务产业。园区具有国家级开发区的审批权限。将对符合条件的企业给与税收和各方面的政策优惠。

南通地区文化教育发达, 拥有高校六所, 各类专业技术学校 29 所。每年培养各类本科和专业技术毕业生 5 万人。为企业发展提供丰富的人力资源。

南通是中国近代工业化历史上第一个现代工业城镇。在进入新世纪时, 苏通科技园将和您一起, 扬帆起航, 打造一个更加完美的将来。

The Suzhou-Nantong Science and Technology Park (STP) is a joint venture of Singapore-Suzhou Industry Park (SIP)-Nantong Economic and Technological Development Area (NETDA). It's located at the north bank of Yangtze River, forming a "Golden Triangle" with Shanghai and Suzhou.

STP will be built as a livable, eco-friendly high tech city, focusing at areas such as green energy, biopharma, electronics and informatics, new materials and modern service industry. STP is a State-level Park and will be able provide companies with various benefits including tax incentive authorized by the State.

Nantong is considered as the first industrialized city with sophisticated education system in modern Chinese history. It currently has 6 high education institutes and 29 professional colleges with more than 50,000 students.

When launching your business in China, let STP be your partner!
